OK, ARNOLD, SO I'M NOT A RAM - BUT I CAN BE A RAM CHEERLEADER!

WE CAN'T WIN WITHOUT YOU, KATY!

YOU ARE PIONEERING, ADVENTUROUS AND ENERGETIC. YOU THINK FOR YOURSELF AND LOVE SOLVING PROBLEMS AND MYSTERIES. YOU ARE COURAGEOUS AND DIRECT. YOU LOVE YOUR FREEDOM AND HATE RESTRICTIONS. YOU ARE A LEADER, NOT A FOLLOWER. ON THE NEGATIVE SIDE YOU CAN BE TOO SELFISH, QUICK-TEMPERED AND IMPULSIVE. IMPATIENCE IS PROBABLY YOUR WORST TRAIT AND AT SCHOOL YOU MUST FORCE YOURSELF TO PAY ATTENTION TO THE SUBJECTS YOU DON'T PARTICULARLY LIKE, ESPECIALLY THE FACTS AND FORMULAS. YOU CAN BE CYNICAL AND LAZY BUT WHEN YOU FIND YOUR SPECIAL INTEREST NOTHING WILL HOLD YOU BACK. YOU LOVE SPORTS AND ANYTHING THAT KEEPS YOU MOVING. YOU WOULD MAKE A GOOD SCIENTIST, WRITER, BUSINESSPERSON, PHOTOGRAPHER, MANAGER.

# Your Letters to KATY -

DEAR KATY

I am 10 years old and have a problem. I am 63 pounds and people always tease me. Do I have to diet? What shall I do? What shall I eat?

Love  
IRENE

DEAR IRENE

Like most kids, you probably spend too much time sitting in front of the TV eating junk food. If this is the case, get more exercise! Go for a walk, ride your bike or do after-school sports. Eat only when you are hungry and you will soon reach your normal weight. Unless you are under a doctor's supervision, it can be very dangerous for a teenager to diet. But it's a good idea for every body to eat out sweets and fried foods and eat lots of fresh, natural foods instead - fruits, vegetables, whole grains, fish, lean meats and dairy products. Good Luck!

DEAR KATY

I want to get a boyfriend, but my face is ugly. I wear glasses. I want to be like your sister, Sis, because she is so pretty. I am almost 13 years old. How can I be like Sis? Any suggestions?

Sincerely  
ADEANA

DEAR ADEANA

Thanks for writing! First of all, I don't know why but everybody wants to look like somebody else. I doubt you are as ugly as you think you are. Everybody has flaws and everybody has their good features. We have to learn to make the best of our good characteristics and hide those things that aren't so nice. Have you ever seen a model without her make-up? Most of us look like regular everyday people. There is nothing ugly about glasses! But if they really bother you, ask your parents if you can get contact lenses. If not, maybe another frame will be more flattering to your face. Read the fashion magazines and learn some tips about make-up and clothes. True beauty does not come from make-up or clothes. It comes from within and everybody has it - so let it shine!

DEAR KATY

I want to get a boyfriend, but my face is ugly. I wear glasses. I want to be like your sister, Sis, because she is so pretty. I am almost 13 years old. How can I be like Sis? Any suggestions?

Sincerely  
ADEANA

DEAR ADEANA

Hi! Katy showed me your letter. I used to think I was ugly too. Sometimes I still hate how I look. But then I comb my hair put on a pretty outfit and go do something nice for someone else. When I see them smile I feel really good about myself and I smile too! And what's wrong with glasses? Some of the world's most beautiful women wear them all the time! If they really bother you maybe your parents will let you get contact lenses.

Love SIS

DEAR KATY

I like a boy in this band called Menudo. His name is Ricky Martin. I entered a Menudo Mania contest. And I didn't win! That made me so mad! And it just happened a girl with my same initials entered and won. Now I don't know what to do. I have a picture of him hanging up.

Love ANGELLE

DEAR ANGELLE

I'm sorry you lost. You must be very disappointed. But don't worry, there'll be other contests. In the meantime you have his records and his picture, so keep dreaming and good luck next time!

DEAR KATY

My best friend has a boyfriend that I really like. I think he likes me too, but I can't tell. The problem is she really loves him more than any other boyfriend she has ever had. What should I do?

ST  
P.S. I'm a big fan of yours

DEAR ST

Uh oh. Don't lead him on. If he tells you that he likes you, talk him aside and tell him you would never do anything to hurt your friend. Then ask him why he would want to ask making her feel bad by getting involved with you?

DEAR KATY

I have a problem. Two girls in school are jealous because I have long nails and a cute boyfriend. So they try to take him away. What can I do?

Sincerely CORINNE

DEAR CORINNE

Sorry you're ignored them.  
Love KATY

DEAR KATY

There is a girl I like, but just as a friend. She thinks I am too immature for her, so one day I acted very mature (but not so much that I acted like a fool) but it didn't do any good. Could you help me find a way to act around her?

Love,  
DREW

DEAR DREW

What's wrong with that girl? You sound very mature to me. Continue to act just the way you are and if she doesn't begin to notice you, look for another friend who appreciates you. There are a lot of fish in the sea! Good Luck!

DEAR KATY

I have a girl problem. Her name is Christine. She always forces me to do things and if I break up with her, she ignores me, pushes me, and hurts me. When she looks at me, she has a mean face. What should I do?

JANE

DEAR JANE

Tell Christine to get lost! She sounds like a horrible person and you shouldn't let her push you around. There are a lot of nice kids out there waiting to be your friend. Why waste time with crazy people?

DEAR KATY

I am head over heels for this boy, but I don't know if he likes me. I tried telling him, but I was too shy. What should I do?

Your friend  
MONICA

DEAR MONICA

Send him a card with a little note. Sometimes it's easier to write the things we have a hard time saying. Ask your parents if you can invite some friends over for a party one Saturday afternoon. Ask some of the girls and guys in your class - maybe two girls and two guys - and of course invite him. Maybe you can all go bowling, watch some videos or a football game on TV. It will be easier to get to know him in a group, now you won't feel so shy with other friends around.
